The President

Brussels 08/07/2026

Europe is more than just our treaties and our single market - it is all of us. Europe is built by those who decide to make a difference in the lives of others. Lending a hand, lifting someone up, and creating a sense of community that extends beyond borders. The initiative "Ukulele del Sorriso" does exactly that, using music to put a smile on children's faces when they need it most. This is Europe at its most human. This is Europe at its best.
